32 HEX IP Panel Pearl

Sold Separately:
Barndoor WH 32 HEX Panel IP
1237000207

Code: I226100368

The ADJ 32 HEX Panel IP Pearl is an IP65 rated multi-functional wash / blinder / color strobe fixture for indoor or outdoor use. It features 32x12W HEX LEDs RGBWA+UV, 8 individually controlled sections and a 24-degree beam angle. With an all metal, white housing and IP65 outdoor rating, its protected from elements - dust, sand, moisture and liquids. It includes a magnetic removable filter frame with a diffusion filter to change the beam angle. On the rear panel it features IP65 5-pin DMX and Seetronic Power Twist TR1 In/Out connections to daisy chain the power. Both the DMX and Power connections are fitted with rubber protective covers. An OLED display with touch buttons helps to easily navigate the functions of the fixture. The 32 HEX Panel IP Pearl is flicker free for film and broadcast and has multiple DMX control modes, dimmer curve modes, and selectable gamma and LED refresh rate settings.
