Hydro Wash X7 Marine White

Code: I237000221

The ADJ Hydro Wash X7 marine White is an IP65 rated 280W professional moving head wash fixture with seven pixel-controlled 40W RGBW (4-IN-1) LEDs. With its durable white marine grade metal casing and IP65-ratings which protects it from dust, sand, moisture and liquids, the Hydro Wash X7 marine white is designed for both indoor or outdoor use, making it ideal for use in all situations whether it's an installation in open-air clubs or other outside entertainment spaces where wash lighting is a must. This groundbreaking fixture offer an extended operational life and reduced maintenance requirement due to its long-life LED and sealed casing design. The Hydro Wash X7 has a wealth of features such as motorized zoom (6 ~ 40-degrees), WiFly wireless DMX, 6 dimmer curve modes and gamma correction.

It's fitted with IP65 5-pin DMX In/Out and IP65 Locking Power In/Out connectors to daisy chain power. It offers a USB port for software updates. All connections are IP65 rated with rubber protective covers
