

Vizi Beam RXONE

Code: 1237000146

Part of ADJ's popular Vizi Series, the Vizi Beam RXONE, is a compact and quick moving head with a potent Osram® Sirius HRI 100W discharge long life lamp (6,000 hrs.) that produces a super sharp 3-degree beam of light that travels up to 100 meters. This 16-bit, nimble mover also includes a frost filter to give the beam a wash effect of 21-degrees making this fixture very useful for a variety of portable and permanent applications. Under the hood the Vizi Beam RXONE boasts a 16-facet prism to break apart the solid beam into 16 mini beams, 14 color + white and 15 static, fixed GOBOs. The RXONE has 2 DMX modes (15 or 17 channel mode), 3-pin DMX In/Out, Locking power In/Out connections plus a low power consumption of only 199W at max power.

Specifications

- 100W Osram Sirius HRI Long Life Discharge, Average Lifetime: 6,000 hrs,
- Color Temperature : 9000K
- Lux: 62,500 lux @10m
- Beam Angle: 3-degrees
- 16-facet rotating circular prism
- 21° Frost filter
- 3 operational Modes: Internal Programs, Sound Active or DMX Control
- 2 DMX Channel Modes: 15 or 17 Channels
- RDM compatible (Remote Device management)
- 16bit Pan 540°
- 16bit Tilt 270°
- Various strobe effects
- LCD display with 4-button function menu
- 1 Color Wheel with 12 colors + CTB + UV + White
- Split Colors
- 1 metal Gobo Wheel with 11 static Gobos + 4 beam reducers + Open
- PVC molding
- Includes Quicklock Omega Bracket
- Power voltage: AC100-240V, 50/60Hz (Multi-voltage)
- Power consumption: 199W
- 3-pin Locking DMX In/Out connections
- Locking Power In/Out connections

Dimensions & Weight

- Dimensions(LxWxH): 279 × 225 × 387mm
- Weight: 9,2 kg.
