

# Saber Spot WW

Code: 1226100330

The Saber Spot WW is a compact Pinspot with a 15-Watt warm white LED. Features DMX-512, flicker-free operation, strobing, electronic dimming and has a 4-Button DMX display system on the rear panel. Its built-in ACL lens produces a razor sharp 4-degree beam angle. Included are 2 additional fresnel lenses of 10 & 45 degrees.

The Saber Spot WW has a scissor bracket system that allows the fixture to be hung or set on the ground, and is ideal for performance stages, installations, table & object spotting, lighting retail stores.
